

## **Lawyers**

*Legal advice can be helpful as an addition to mediation. Prior to signing a mediation agreement or when considering what issues you want to mediate, it is recommended that you seek some legal advice. The lawyers listed below have a collaborative approach and can provide you with information on your rights and responsibilities. Please note that some of the lawyers listed work out of the same offices, however their practices are separate.*

*A list of additional collaborative lawyers may also be found at [www.collaborativedivorcebc.org](http://www.collaborativedivorcebc.org).*
